Delivering Food, Shelter and Hope to the Poorest of the Poor

Fill the Box of Joy®!

Box of Joy gifts are filled with items picked out by friends like you! Cross Catholic Outreach ships these gifts to boys and girls around the world who might otherwise not get a present for Christmas! To help illustrate how each Box of Joy is filled, complete the following activity.

Materials Needed: Crayons or markers, scissors and glue.

Directions: Color in the Box of Joy, its logos and the items that go inside. Then cut out each item and glue or tape them onto the Box of Joy. Now you see what kids in developing countries receive with each Box of Joy gift!
