

OFFICE OF THE BISHOP

January 20, 2017

Mr. James Cavnar
President
Cross Catholic Outreach
2700 N. Military Trail, Suite 240
Boca Raton, FL 33427

Dear Jim,

It is a privilege to express my appreciation for the work of Cross Catholic Outreach as you support the ministry of the Catholic missionaries and dioceses throughout the developing world. Your parish visits help to strengthen the bonds of the solidarity between the people of our parishes and our brothers and sisters around the world.

You are welcome to contact the parish pastors in the Diocese of Tulsa to see if some of them will invite you to come and speak on weekends. As you know, that decision is left to the judgement of each pastor.

May God continue to bless Cross Catholic Outreach in its mission to educate and instruct the U.S. Catholic faithful about the effective work being done by the Church in the Caribbean, Central and South America, Africa and Southeast Asia.

Sincerely yours in Christ,

Most Rev. David Konderla
Bishop of Tulsa
