

DIOCESE OF AMARILLO

Office of the Bishop

November 19, 2015

Dear Monsignor Bertagni,

Thank you very much for your recent visit to the Diocese of Amarillo. I thoroughly enjoyed our conversation. I especially enjoyed learning more about Cross Catholic Outreach. Charity is always in vogue! I was edified to learn of all the wonderful work that you do in the name of Christ and his Church. With all that is taking place in our world today, especially with the displacement of so many people, much needs to be done to meet the basic elements of life for our brothers and sisters in need.

It is with joy that I endorse the work of Cross Catholic Outreach, after all, you are simply putting the Gospel of Christ into concrete visible action. Your work also helps to promote and develop the communion that is needed between parishes, between the Diocese and the Universal Church. You continue to help us “gaze” on the face of Christ as we help others.

Be assured of my prayers and continued support in the vital ministry.

Sincerely yours in Christ,
