The Reverend Monsignor Ted Bertagni

Post Office Box 273908
Boca Raton, FL 33427-3908

Dear Monsignor Bertagni,

As time passes, the importance of the work of Cross Catholic Outreach becomes more vital, and more praiseworthy. I am happy to join the chorus of those who have and who continue to endorse and commend the work of Cross Catholic, and especially for your unity with the ideals and goals of the Pontifical Council *Cor Unum*. Such partnership of purpose, between Cross Catholic and the Shepherd of the Church, is valuable not just for the relief it brings to those who suffer and who are your first and most important clients, but also for the beneficial spiritual effect your world-wide ministry has upon the Church Universal.

May the Holy Spirit, through the prayer of our Most Blessed Mother, continue to inspire those who lead Cross Catholic Outreach, and draw people everywhere to assist in your efforts.

Fraternally yours in Christ,

‡ Wilton D. Gregory,
Archbishop of Atlanta
