Dear Father Mrozinski,

I much enjoyed your recent visit to my office and the opportunity to learn about the impressive work of Cross Catholic Outreach in the world's poorest nations.

I was particularly impressed by your close collaboration with the Pontifical Council *Cor Unum*. Aid that passes through the Vatican's worldwide charitable network is sure to reach those that really need it in a way that really helps them.

Finally, I was happy to learn that priests associated with Cross Catholic Outreach offer weekend assistance to parishes. I hope the priests of this diocese will take advantage of such a fine opportunity to inform their people of the needs of the poor worldwide. It would be good to hear that such visits produce generous support for Cross Catholic Outreach's efforts to lift up those who are bowed down.

Gratefully yours in Christ,
