Dear Mr. Cavnar:

It truly pleases me to extend to Cross International Catholic Outreach my personal commendation and support for your extensive missionary support work accomplished in assisting the poor throughout the world, especially through your special relationship with Cor Unum, the Pontifical council for assistance to the people of the Church in the third world.

I note, too, the years of faithful service which Father Richard Kunzman, a priest of the Diocese of Camden, has provided to your efforts. He gives great witness to your dedicated efforts.

In my prayer, I ask Our Lord to continue to bless the work of Cross International and all those who work so hard with you to carry out your mission.

May God continue to bless you and guide you.

Fraternally,
