Dear Mr. Cavnar,

I write to extend my personal endorsement for the superb work that your organization is doing throughout the world. Your commitment to provide for the basic needs of the "poorest of the poor" while training them to gain independence is commendable. It is especially noteworthy that you are able to achieve these ends with an extremely low administrative cost, resulting in over 96% of all donations being delivered directly to the people who need them.

Please know that my prayers are with you as you provide Christ-centered services to all regardless of their religion; that you might cause those you assist to not only grow in self-reliance, but to develop a knowledge of, and faith in, Jesus Christ as well.

In the Lord's Peace,
