Dear Father Bernard,

Thank you so much for your visit to Victoria on June 27 this year. I've heard personal testimony of the good work of Cross Catholic Outreach from Father Eddie Winkler and Father Octavio Muguerza. Each of these priests has participated in Cross Catholic Outreach and they have shared with me the value of their experiences.

As we discussed, Cross Catholic Outreach collaborates closely with charitable institutions of the Holy See and has an outstanding record of the percent of money going directly to the poor. Based on the personal testimony of our priests and your presentation to me I am glad to endorse Cross Catholic Outreach.

God bless you and let's keep each other in prayer,

Most Reverend Brendan J. Cahill, S.T.D.
Bishop of Victoria in Texas
