Dear Fr. Mrozinski,

It was good to visit with you and hear about the good work being accomplished by Cross Catholic Outreach. It certainly appears that the various projects in which Cross International is involved provides needed relief to some of the world's poorest of people. In addition to meeting the material needs of people, the efforts of Cross also provide for the spiritual well-being of people which, in many ways, is a deeper hunger.

I pray that God may continue to bless your efforts and the ministry of those associated with Cross Catholic Outreach. This vital ministry truly connects with what Pope Francis has been saying about the poor and what Cross International does is to provide a means whereby the Gospel message may be spread.

In Christ,

Michael W. W. Warfel
Bishop of Great Falls-Billings
