Dear Monsignor Bertagni:

Greetings in our Lord Jesus Christ.

I happily grant Cross Catholic Outreach permission to contact the priests of the Diocese of Marquette to inquire whether a priest from Cross Catholic Outreach may speak at their parish regarding the important service to the poor that your organization provides.

Particularly, I am edified by your collaboration with the Holy See and Catholic parishes around the world in caring for the poor. May God bless the efforts of Cross Catholic Outreach and may the poor see the countenance of Jesus Christ in the faces of all those associated with this apostolate.

For your information, I am enclosing a copy of the letter that I have sent to the priests and pastoral coordinators of the Diocese of Marquette to introduce Cross Catholic Outreach.

With prayers that your heart be filled with the *Joy of the Gospel*, I am

Sincerely yours in Christ,

Most Reverend John F. Doerfler, STD, JCL
Bishop of Marquette
