

ARCHDIOCESE FOR THE MILITARY SERVICES, USA
OFFICE OF THE ARCHBISHOP

Mr. James J. Cavnar
President

P.O. Box 273908
Boca Raton, FL 333427-3908

Dear Mr. Cavnar,

Recently, Father Ron Mrozinski was kind enough to pay me a visit and offer an update on the work of Cross Catholic Outreach.

Your cooperation with local dioceses throughout the world was of great interest to me. I know first-hand the zeal of Bishop Grullon of San Juan de la Maguana. Your assistance has allowed him to bring water to so many areas of his arid diocese.

Your response to the tragic situation in the aftermath of the earthquake in Haiti also manifests how we are to see and respond to Christ in our sisters and brothers in need.

Your close collaboration with Cor Unum, the Holy Father's dicastery for charity, will ensure a focused and effective response to those many areas in the world where poverty has a firm grip on the daily reality of so many. Certainly, Pope Francis is teaching us to be messengers of Christian love.

It is my desire that the work of Cross Catholic Outreach be ever more widely known and supported. You offer others the opportunity and the path to authentic compassion.

Invoking abundant blessings upon you, your staff, and all of those who participate in your mission, I am

Sincerely in Christ,

(Most Reverend) Timothy P. Broglio
Archbishop for the Military Services
