Rev. Msgr. Ted Bertagni
Cross Catholic Outreach
2700 N. Military Trail, Suite 240
Boca Raton, FL 33427

Dear Monsignor Bertagni,

It was good to meet you and to hear about the Cross Catholic Outreach. I was very pleased to learn that Cross Catholic Outreach was founded to help provide the poorest of the poor with food, water, medicines, clothing, housing and self help programs. The people who live in the Third and Fourth World, have a special claim on our generosity and on a more equitable distribution of the world's resources. Thank you for furthering the works of charity and justice in the world.

May God bless the ministry of Cross Catholic Outreach. I hope that you will be able to visit our parishes and present your work to God's people. May you continue to bring the hope of Jesus Christ to those most in need throughout the world.

Sincerely in Christ,

Most Rev. John J. Quinn
Bishop of Winona
