Dear Monsignor Bertagni:

I have received with great pleasure the letter dated January 18th, 2016 with enclosed the latest issue of your newsletter.

Let me congratulate you for the wonderful news that *Cross Catholic Outreach* has received Papal approval of its canonical status through the Pontifical Council *Cor Unum*.

While I wish to encourage your organization in the multiform undertakings on behalf of the poorest of the poor internationally and remembering our meaningful conversation of last year in Washington, D.C., I promise to keep your ministry in my prayers.

With sentiments of esteem I remain

Faithfully in Christ,
