**Dear Monsignor Ted:**

**Peace and greetings from Montana!**

**It was very nice to have you here for a short time as my houseguest in Great Falls. It was good to catch up with you on some of our mutual friends and family.**

**Thank you for the good work you are doing for Cross International. It is particularly good to know of your relationship to Cor Unum and the wonderful works of the Holy See. Your work for the poor of the world is a great work on behalf of the Church. May God reward you and Cross International many times over.**

**Thank you also for the invitation to your place in Florida. I hope I will have the opportunity to at least be in touch with you on some occasion when I visit there.**

**Asking God to bless you, and asking your prayers in return, I am**

**Sincerely yours in Christ,**

*+ Anthony*
