

A Sincere Thank You to Cross Catholic Outreach From St. Vincent Strambi High School and the Diocese of Mandeville

We at St. Vincent Strambi High School in Bull Savannah, St. Elizabeth strive to ensure that our students not only receive an education in academics, but are guided in their spiritual and holistic development.

This gift of a bus from Cross Catholic Outreach has gone a long way in assisting us in enabling these aspects of our students' education.

As a way to teach our students to live charitably and become responsible Christians, we take them on regular visits to such organizations as the Mustard Seed Charities, St. John Bosco Boys' Home and nearby medical clinics. There, they are encouraged to participate in Christ's work by volunteering their time to assist in whatever way they are able.

As a part of their spiritual development, they are taken to overnight retreats at various retreat centres throughout the island.

St. Vincent Strambi also encourages our students to participate in athletic competitions as well as club competitions such as those run by the 4H club.

Previous to the donation of the school bus by Cross Catholic Outreach, transportation would have been arranged by relying on the kindness of parents, or at great expense to the school.

We are therefore extremely grateful to Cross Catholic Outreach for providing us with a reliable means of transportation that has already been of great assistance to us in our mission to provide our students with a holistic and well-rounded education

We would therefore like to express a great big Thank You, from St. Vincent Strambi High School to Cross Catholic Outreach for your generous donation.
