Dear Mr. Cavnar:

I am pleased and encouraged to see how Cross Catholic Outreach is working to help the poor throughout the world. The collaboration between your organization and "COR UNUM", the personal charity of the Holy Father, truly is a rare blessing. As a Board Member, I personally convey the appreciation of Cross Catholic Outreach to Ann and Joe Brennan who worked these past two years to finalize this arrangement.

My grace-filled congratulations to you and your associates for these many exemplary works, and for constantly and lovingly radiating the energy that heals and transforms. May the Lord continue to bless your wonderful work.

God bless you and your associates, together with Ann and Joe, as you joyfully and gratefully share your giftedness with His people.

With kindest personal regards, I remain

Sincerely yours in Christ,

+Norbert M. Dorsey, C.F.  
Bishop of Orlando

P.S. Under separate cover, I am sending you a tape recorded at the time of Joe and Ann's audience with the Holy Father.
