

**DIOCESAN COMMISSION ON INDIGENOUS PEOPLE**  
**Diocese of Tarlac**

December 19, 2009

TO: Our Dear Sponsors/ Benefactors

In behalf of the Bishop of Tarlac, Most Rev. Florentino F. Cinense, D.D., the Diocesan Commission on Indigenous People, and our Tribal Community-The Aetas, I would like to express my sincerest gratitude for the donations you have given us during our recent Gift-Giving Relief Operation, wherein, we were able to cover **862 households**. Truly, it was a great help for our Tribal Community brethren.

However, in our recent survey, we still have **1,030 households** not yet covered by our relief operations, but also greatly affected by the Lahar and the recent typhoons Ondoy and Pepeng. These are located in 4 different towns of Tarlac which we intend to serve on the first quarter of 2010.

In this connection, may we again humbly request you to please extend to them your generous hearts by sending us additional relief goods and/or financial assistance.

Thank you and God bless us all!

Respectfully yours,

  
REV. FR. ARTHUR A. EDUARTE  
I.P. Diocesan Spiritual Director
