His Excellency
Most Rev. Edward Joseph Adams
Apostolic Nuncio to the Philippines
2140 Taft Avenue
Manila

Your Excellency:

Greetings and peace!

Electricity has not been fully restored yet in Batanes. Please pardon the crude manner in which I am personally writing you.

Accept, please, our sincerest gratitude and kindly convey to the Holy See (COR UNUM) our sincerest thanks for the TYPHOON subsidy you deposited to our METROBANK account in the amount of P709, 500.

This is truly a big help for us. Our people suffered much from the lack of food and fuel supply caused by the inability of Cargo Ships to arrive in Batanes because of the typhoons which came in succession. The typhoons also brought destruction of crops and also prevented our fishermen to fish.

I am in coordination with the different parishes and parish priests as to the disbursements needed in their parishes. Repairs are also needed for damaged churches.

Your Excellency, your kind and generous solicitude means so much for me and my clergy and people. We offer you and the Holy Father our prayers of deepest gratitude.

We renew our sentiments of deepest esteem and gratitude to Your Excellency and to the Holy Father.

Devotedly yours in Christ,

+ Camilo D. Gregorio
