ARCHBISHOP EDWARD JOSEPH ADAMS

Apostolic Nuncio
2140 Taft Avenue,
P.O. Box 3364, Manila

We wish to gratefully express our deep appreciation for your kind donation to the Diocese of Urdaneta as it recovers from the typhoons that caused floods to all our parishes. It was very generous of you to take so much interest in our effort to help our parishioners start their lives again. We realize how fortunate we are to have you as our benefactor.

Our Diocese is basically an agricultural basin. We are pleased to inform you that we have already begun with our rehabilitation project to initially help our farmers purchase seedlings and seeds so that they could recover from their losses. Please be assured that a lot more people will benefit from this project because of your much needed donation.

Please accept again our sincere thanks for your kindness and for the partnership that prompted it.

Sincerely yours,

REV. FR. JESUS MELVYN N. BUFETE
Social Action Director
Diocese of Urdaneta

Noted by:

MOST REV. JACINTO A. JOSE, D.D.
Bishop, Diocese of Urdaneta

Enclosed is a copy of the extent of damage to the rice lands and crops in our Diocese and the number of families we had initially helped through our relief program.
