Dear Mr. Canvar:

By way of this letter, I offer my support and appreciation for the ministry that Cross International carries out throughout the world. Cross International serves the poor and needy within our own boundaries in the USA, and reaches out to many other countries.

The good ministry of Cross International is linked to the Pontifical Council Cor Unum that fosters the true development of people.

God's peace for all.

Sincerely in Christ and Mary,

Most Reverend Michael D. Pfeifer, OMI
Bishop of San Angelo
