Dear Father Mrozinski:

I received the information you sent regarding the charitable work carried out by Cross Catholic Outreach around the world on behalf of those suffering the bondage of poverty.

Just a few days ago, the Catholic Church celebrated World Day of the Poor, instituted in 2019 by Pope Francis. The Holy Father continues to inspire us to do more for those who are suffering and to remember the poor in all we do in humility.

Your organization's heart for the poor is encouraging and I commend Cross Catholic Outreach for remembering those who lack food, clean water, educational opportunities and housing.

The work of Cross Catholic Outreach is endorsed in the Diocese of Syracuse. The presentations of your preachers bring the additional benefit of educating our people about the needs of the poor of the world while they are invited to take part in a meaningful response on the part of the Church

May the Lord continue to bless your work in this vital mission for which you have my support and prayers.

In the Name of Jesus,

+ *Douglas J. Lucia*
