

## Christ-Centered Principles Guide Every Action

We want to value what God values. We want our hearts and minds to conform to the heart and mind of Jesus Christ. Consequently, we humbly seek the wisdom of God and are guided by the following:

### *Cross Catholic Outreach seeks to...*

- 1.** Help the poor in Jesus' name and for the glory of God.
- 2.** Provide food, clothing, shelter, medical care, education, economic opportunities and other such blessings to the poorest of the poor.
- 3.** Give priority to those churches and ministries which employ a community-oriented strategy in helping the poor and which increase the self-sufficiency of the poor.
- 4.** Foster an exchange between the churches of the developing world and the churches of the U.S. and demonstrate respect for the vision of the churches and ministries with which we work.
- 5.** Maintain a high standard of excellence in our work, not sacrificing the quality of our work for the sake of quantity; and operate with integrity and honesty in respect to our donors and co-laborers.
