Dear Mr. Cavnar,

Thank you for the assistance Cross Catholic Outreach is providing to different dioceses in Haiti. By assisting the neediest, your organization has answered the call of the gospel to show God's love and compassion. Let us remember that the church must reach out and answer the cry of those who are suffering.

I wish to thank you for your collaboration with the church not only in Haiti but all around the world where the needs are. With your support, we can feed the hungry, provide medical care, educate and help the spiritual development of the population.

I approve your mission of helping those in need and I am happy to endorse the work of Cross Catholic Outreach.

Let us pray, you will be enriched in every way so that you can be generous in everything and through us your generosity will cause people to thank God.

Sincerely yours in Christ,
