Cross Catholic Outreach shares the hope and good news of the Gospel alongside our social work in order to see the Holy Spirit’s transformative power. Around the world and with your help, we bring food, water, shelter, education, orphan support, medical care, elderly care, microenterprise and disaster relief to the poorest of the poor.

Cross Catholic Outreach gives faithful U.S. Catholics opportunities to empower the global Church to serve the poor in Christ’s name through specific works of mercy. In this way, your generosity equips priests, nuns and lay leaders to meet the most urgent needs in their communities and proclaims God’s love in both word and deed.

For I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me.

Matthew 25:35

We are a Catholic ministry that mobilizes the global Catholic Church to transform the poor and their communities materially and spiritually for the glory of Jesus Christ. Rather than create new institutions to distribute aid, we support existing ministries and churches already serving the poor. In addition to being the most cost-effective way of helping the poor, empowering these ministries allows us to support the Church’s spiritual mission and its important position of leadership in poor communities.

Every gift we receive is a precious resource from God. We direct every donation to its intended project, provide honest and accurate reports to our donors, and keep overhead costs to an industry low. We handle funds with the utmost integrity and hold our ministry partners in the field to the same high standards by asking them to document costs and the impact of their outreach.

Join with us as we seek to transform the lives of the poor materially and spiritually — ways that please the Father and glorify him in Heaven and on Earth.
