Frequently Asked Questions

Will you still be collecting Box of Joy gifts this season?

Yes, Cross Catholic Outreach will continue with the Box of Joy ministry this season. You can sign up your group at boxofjoy.org. Box of Joy Week is November 6-14, 2021.

Box of Joy participants can find their nearest Drop-Off Centers by late October on our website. Scan the QR code to learn more! The best way to stay up to date on any changes this season is by continuing to check the Box of Joy website or by visiting our social media channels.

We may not be able to host a packing event at our church, impacting the number of boxes we plan to pack. Any suggestions?

We strongly encourage packing parties to follow local government guidelines. If your church's or group's Box of Joy goal is impacted by COVID-19, each participating organization could consider developing procedures for a touch-free experience for donors. If group activities are not possible, families can pack their boxes at home and bring them to the drop-off location. Some participants may want to consider Box of Joy online. What adjustments will be made to drop-off locations to ensure safe collection?

We understand that each community, county and state may be in a different phase of COVID-19 recovery during Box of Joy Week. Cross Catholic Outreach will stay connected with all locations and provide procedures for Drop-Off Centers to ensure the safety and well-being of both participants and volunteers.

Will there still be volunteer processing at the end of the year? What will you do to ensure social distancing?

Cross Catholic Outreach will plan for a traditional processing season with volunteers, but we understand disease trends may prevent this from occurring. In this case, contingency plans are being developed that would still allow volunteers to process Boxes of Joy even if social distancing restrictions are needed. Also, additional personal protective equipment will be readily available, and additional cleaning protocols are being developed for our National Screening Center in 2021. How has the pandemic affected the Box of Joy ministry in developing countries?

We are continuing our ministry overseas. In fact, we have increased our aid because poor communities overseas suffer from desperate needs far beyond what we experience in the U.S. Cross Catholic Outreach is working directly with our international leadership teams in the countries we serve to assess ongoing ministry activity with some modifications according to local government guidelines.

Does Cross Catholic Outreach need the Boxes of Joy?

Yes! Now more than ever, children need to have the reassurance that they are loved by God. We believe in the urgency of reaching communities with the eternal hope of the Gospel, especially in these uncertain times. Box of Joy gifts, the Story of Jesus and the rosary are powerful tools to share God's love with thousands of children around the world.

If we can't gather, why would kids be gathering?

The health and safety of our staff, local partners and beneficiaries are of utmost importance to us. Cross Catholic Outreach will continue to monitor COVID-19 trends around the world. In addition, we are working directly with our international partners to assess ongoing ministry activity with some modifications according to local government guidelines. If local restrictions make it impossible for children to gather for a distribution celebration, the Boxes of Joy will be delivered to their homes by volunteers.

Should participants be shopping for Box of Joy gift items during this time?

We encourage everyone to follow local guidelines and use personal discretion when shopping for gift items. Many stores are open around the country, and online shopping is a popular method for participants.

What's the best way to get updates?

The best way to stay informed is to stay current on our website boxofjoy.org and social media.

Does the virus change what we can or should pack this year?

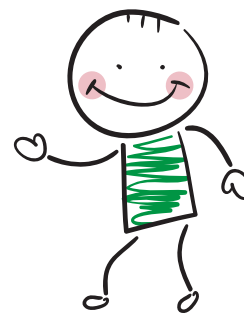

At this time, there are no changes to what can and can't be packed in Box of Joy gifts this year. Scan the QR code to see the current list of suggested items.
