

ELEMOSINIERE DI SUA SANTITÀ

Vatican City, April 7, 2022

Rev. Monsignor,

Upon my return from Ukraine, where I was to bring an ambulance donated and blessed by Pope Francis for the pediatric hospital of Leopoli, I wish to thank you and each of your staff members of Cross Catholic Outreach for your magnificent donation of \$100,000.00 to this office for the expressed care of the refugees and displaced of Ukraine.

I can assure you that these funds will indeed be used for the response indicated above.

In fact, during Holy Week I will return with another ambulance given in the name of Pope Francis along with a supply of pharmaceuticals to another hospital in Ukraine.

I carry with this venerable gift the thanks of Pope Francis himself for this concrete support of his pastoral initiative and impart to your ministry a Special Apostolic Blessing for grace and divine consolation that from his heart he imparts to you and all the staff of Cross Catholic Outreach.

I send my regards for a happy Blessed Easter.
