*Delivering Food, Shelter and Hope to the Poorest of the Poor*

The 3 Pillars of Lent: **FASTING**, **GIVING** and

**PRAYER**

Prayer leads our hearts closer to Christ. As you pray through the 40 days of Lent, specifically lift up families in developing countries in need of food, water, shelter and educational opportunities.

The 3 Pillars of Lent: **PRAYER**, **GIVING** and

# FASTING

When we **GIVE UP** something, it puts us in a better position to **GIVE TO** those in need. As you fast from food, coffee or other treats during this holy season, use any extra time to pray for families in developing countries and use your resources to bless the poor.

# **GIVING**

Jesus shared his mercy generously with us, so we make a special effort to share that gift of mercy with those who are suffering. Consider devoting your Lenten almsgiving to the poor in developing countries this year.
