Dear Fr. Caron,

I enjoyed visiting with you at the USCCB June meeting in Louisville, Kentucky and learning of our mutual military chaplain backgrounds.

I write to you today to offer my support of the wonderful works of Cross Catholic Outreach. I have enjoyed learning about all of the areas of support Cross Catholic Outreach supplies, including providing food, water, housing, education, orphan support, medical care, disaster relief, and the love of our Lord Jesus Christ to the poorest of the poor in over thirty countries around the world.

I am happy to endorse Cross Catholic Outreach and the wonderful works that you do alongside the other bishops and priests that support your efforts.

Be assured of my prayers for all of you and those you serve. God bless you!

In Christ,

+ Chad W. Zielinski
