Dear Father Caron,

I am pleased to once again offer my support for the mission of Cross Catholic Outreach. Your work in assisting Catholic missionaries reflects the Church's call to serve those most in need, and I am grateful for the ways you bring both material and spiritual care to vulnerable communities.

As you mark your 25th anniversary, I give thanks for the many lives that have been touched through your efforts and for the witness you offer to the Gospel.

Be assured of my continued prayers for your work, for those you serve, and for all who support your mission. May God bless you abundantly as you continue in this important ministry.

With every prayerful good wish, I remain

Yours in Christ,

Most Reverend Richard G. Henning, STD
Archbishop of Boston
